Swine Flu: Is Your Organization "Pandemic Ready"?

First declared pandemic in 40 years – what you need to know.

For Immediate Release: October 8, 2009 /Contact: Susan Young (908) 208-7234

[October 9, 2009 – New York, NY] – Steven Crimando, Managing Director of XBRM, and other key experts, were recently interviewed for Financial Management Network (FMN) by SmartPros to discuss businesses' responsibility during a pandemic.

The questions, and their answers, are both informative and revealing about what business executives should expect in the coming months, how they should prepare, and the behavioral/mental health issues they will face in the workplace.
